

UAS7 is a strategic alliance of seven leading German universities of applied sciences committed to excellence in teaching and research. Our alliance consists of the following universities: Berlin School of Economics and Law (B), Bremen University of Applied Sciences (HB), TH Köln University of Applied Sciences (K), Hamburg University of Applied Sciences (HH), Munich University of Applied Sciences (M), FH Münster University of Applied Sciences (MS), and Osnabrück University of Applied Sciences (OS). UAS7 offers a wide variety of graduate programs. Programs offered in English are listed below:
